

# FUNDAMENTALS OF OPEN REMIX

A FREE ONLINE WORKSHOP FOR HBCU EDUCATORS AND THEIR ALLIES

## *How does collaborative remix help educators build culturally relevant, inclusive, and innovative learning communities?*

Remixing is not just about content. This workshop builds upon culturally affirming curriculum design by exploring collaborative remix as an innovative, inclusive educational practice. Participants will engage actively to remix and redesign curriculum collaboratively, enhancing relevance and resonance for diverse student communities.

### Outcomes

At the conclusion of the webinar, you will be able to:

- Articulate remix as a collaborative, community-building practice
- Identify principles and approaches from hip-hop scholarship as an example of culturally resonant remixing.
- Collaboratively remix curriculum components to reflect and affirm the cultural identities of their student communities.
