DEVELOPMENT NETWORK
CONFERENCE

*Telling Our Stories of Resilience and
Persistence through Learning and
Assessment*

October 20-22, 2022
Sheraton Houston Brookhollow Hotel
Houston, Texas

See Information Below

Additions

2:00 p.m. – 3:00 p.m. Salon B

**Strengthening Faculty Development through enhanced data collection, assessment, and engagement: A case study of Bethune-Cookman University's deployment of AFES 8.1 (Avonelle Faculty Engagement Services)
Mark Wright, Bethune-Cookman University**

Faculty developers are being challenged to reimagine innovative ways to deliver, track and assess professional development. Offering faculty development workshops and surveying participants about programming perception only scratch the surface in measuring faculty engagement in professional development.
